

## Dissecting a CSS Style Rule

### Tag Selector example

```
h1 {  
    background-color: #000;  
    color: #FFF;  
}
```

### Class Selector example

```
.myClassName {  
    color: #999;  
}
```

### ID Selector example

```
#myIDname {  
    font-size: 2em;  
}
```

### Descendent Selector example

```
nav ul {  
    list-style-type: none;  
}
```
